The Family Interview is an opportunity for parents of prospective students along with their daughters to meet with the Admissions Department to discuss the vision, philosophy and environment of Magnolia School. Your daughter will be given student assessments in reading, writing and math to help our faculty determine how to best meet her educational needs. Shadowing a current student is scheduled for a morning or an afternoon and is a requirement for those applying to Grades 3-8.

## FINANCIAL AID

Magnolia School uses an online service called TADS to conduct fair and confidential financial need assessments for families that may require assistance paying tuition. TADS will submit their recommendation to Magnolia School based on the application and documents submitted by the family as to what they might be able to reasonably contribute to their daughter's tuition. The Financial Aid Committee at Magnolia School makes the final award decisions after considering all information submitted. All applications submitted by the priority deadline of February 3, 2020 will be considered in the first round of aid disbursement on March 13, 2020.
